Dear

STAT

Thank you for your letter of 29 October with the additional writing sample, from Infantry.

We've received a lot of applications for our History Staff position, and I have to report that your qualifications do not match our needs as closely as do those of some of our other candidates.

I'm sorry that we can't consider you further for this position, not least because I too spent some time at Andover and in the Marine Corps.

If you would like for me to forward your resume and writing samples for consideration for other CIA positions, please let me know. If not, let me know and I'll return them to you.

With all good wishes,

Sincerely,

STAT

J. Kenneth McDonald
Chief Historian
